

# Jared Spice

## Junior Developer

---

Raleigh, NC | 517-416-5230 | spicejared@gmail.com | <https://github.com/Spice-J>

---

### SUMMARY

Self-motivated and passionate software developer with hands-on experience building web applications using Javascript and Angular. A fast learner with demonstrated analytical, problem-solving, and communication skills. Proven ability to work collaboratively in cross-functional teams and communicate complex technical concepts effectively. Eager to contribute to innovative projects, while further developing technical expertise in front-end development.

---

### HIGHLIGHTS

- Angular, Javascript, HTML, CSS
  - Version control (Git/Github)
  - MySQL
  - Atlassian Jira/Salesforce
  - Responsive design
  - Attention to detail
  - Demonstrated problem-solving
  - Writing/reading documentation
- 

### EXPERIENCE

#### **World Map** – Personal project

2024

- Angular project that utilizes an SVG world map and API calls to WorldBank API to pull and display information about a selected country
- Link to project: <https://jareds-worldmap.onrender.com>

#### **Mock State of Oregon Site** – Personal project

- Mock website for the state of Oregon with form input and password requirement verification
- Link to project: <https://spice-j.github.io/State-of-Oregon-Mock-Site/>

### **Portfolio Project** - Personal project

- Vanilla Javascript project showcasing mock portfolio site with multiple pages and responsive functionality
- Link to project: <https://spice-j.github.io/Portfolio-Site/>

### **SpotOn** – Software Support Specialist

2023 - Present

- Troubleshoot and develop solutions to support end users.
- Clear and effective communication/collaboration with clients, colleagues, and development team
- Requires a deep understanding of product features and how they interact with one another
- Writing client-facing and internal documentation and resources
- Submit highly detailed and accurate bug/feature request dev tickets with supporting documentation/examples and descriptions of expected feature behavior

---

## EDUCATION

**Western Governors University** – B.S., Software Engineering

04/2023 - 04/2025

---

## ADDITIONAL INFORMATION

- Willing to relocate if applicable
